Pursuant to North Carolina General Statute § 143-59 (G.S. § 143-59) and Executive Order No. 50 issued by Governor Perdue on February 17, 2010, entitled "Enhanced Purchasing Opportunities for North Carolina Businesses," a price-matching preference may be given to North Carolina resident bidders on contracts for the purchase of goods. This preference will allow a qualified North Carolina resident bidder to match the price of the lowest responsible nonresident bidder, if the North Carolina resident bidder's price is within five percent (5%) or \$10,000, whichever is less, of the nonresident bidder's price. **If the resident bidder requests and qualifies for the price-matching preference, the resident bidder will first be offered the contract award and it will have three (3) business days to accept or decline the award based on the lowest responsible nonresident bidder's price.**

Executive Order #50 applies to procurements from the Governor's Office, Cabinet Agencies (i.e., Administration, Commerce, Correction, Crime Control and Public Safety, Cultural Resources, Environment and Natural Resources, Health and Human Services, Juvenile Justice and Delinquency Prevention, Revenue, and Transportation), Universities and Community Colleges and all procurements handled by the Division of Purchase and Contract. All other State Agencies are encouraged to implement the requirements of the Executive Order #50 and vendors should contact these State Agencies to determine whether they have adopted and implemented Executive Order #50.

ANY RESIDENT BIDDER REQUESTING THIS PREFERENCE SHOULD CAREFULLY REVIEW PARAGRAPH 23 OF THE INSTRUCTIONS TO BIDDERS, WHICH PROVIDES MORE INFORMATION REGARDING THE DEFINITION OF RESIDENT AND NONRESIDENT BIDDERS; THE QUALIFICATION PROCESS FOR GRANTING THE PREFERENCE AND HOW THE CONTRACT WILL BE AWARDED IF THE PREFERENCE IS APPLICABLE.

In spite of what is labeled as a trade secret, the determination whether it is or not will be determined by North Carolina law.
17. **TAXES:**
- **FEDERAL:** All agencies participating in this contract are exempt from Federal Taxes, such as excise and transportation. Exemption forms submitted by the contractor will be executed and returned by the using agency.
 - **OTHER:** Prices offered are not to include any personal property taxes, nor any sales or use tax (or fees) unless required by the North Carolina Department of Revenue.
18. **SAMPLES:** Sample of items, when required, must be furnished as stipulated herein, free of expense, and if not destroyed will, upon request be returned at the offeror's expense. Request for the return of samples must be made within 10 days following date of quote opening. Otherwise the samples will become State property. Each individual sample must be labeled with the offeror's name, quote number, and item number. A sample on which an award is made, will be retained until the contract is completed, and then returned, if requested, as specified above.
19. **PROTEST PROCEDURES:** When a bidder wants to protest a contract awarded by the Secretary of Administration or by an agency over \$25,000 resulting from this solicitation, they must submit a written request to the State Purchasing Officer at Purchase and Contract, 1305 Mail Service Center, Raleigh, NC 27699-1305. This request must be received in the Division of Purchase and Contract within thirty (30) consecutive calendar days from the date of the contract award. When a bidder wants to protest a contract awarded by an agency or university resulting from this solicitation that is over \$10,000 but less than \$25,000 for any agency, or any contract awarded by a university, they must submit a written request to the issuing procurement officer at the address of the issuing agency. This request must be received in that office within thirty (30) consecutive calendar days from the date of the contract award. Protest letters must contain specific reasons and any supporting documentation for the protest. Note: Contract award notices are sent only to those actually awarded contracts, and not to every person or firm responding to this solicitation. Bid status and Award notices are posted on the Internet at <http://www.pandc.nc.gov/>. All protests will be handled pursuant to the North Carolina Administrative Code, Title 1, Department of Administration, Chapter 5, Purchase and Contract, Section 5B.1519. (See Protest Information at <http://www.pandc.nc.gov/protests.pdf> for more information.)
- If a ground of a protest is based on a challenge to the qualification of a North Carolina resident offeror awarded a contract pursuant to Executive Order #50 (price-matching preference), the State Purchasing Officer or procurement officer may request the North Carolina resident offeror to produce documentation substantiating the North Carolina resident offeror's qualification for the subject preference. The State Purchasing Officer or procurement officer should request the supporting documentation within the 10-day period he or she has to make the decision on whether to deny or grant a protest meeting and the protest meeting should be scheduled after the anticipated receipt of the documents from the North Carolina resident offeror. Pursuant to Paragraph 23 below, the North Carolina resident offeror is required to produce to the State the requested documentation within five (5) business days of the State's request and failure to produce the documents by the end of that time period may result in the cancellation of the contract. Also note that any tax, financial, accounting or banking documents the North Carolina resident offeror submits to the State in connection with the resolution of a protest shall not be disclosed to the protester pursuant to G.S. §§ 132-1.1 and 105-259(b) and the State shall preserve the confidentiality of such documents.
20. **MISCELLANEOUS:** Masculine pronouns shall be read to include feminine pronouns, and the singular of any word or phrase shall be read to include the plural and vice versa.

21. **RECIPROCAL PREFERENCE:** G.S. 143-59 establishes a reciprocal preference law to discourage other states from applying in-state preferences against North Carolina's resident bidders. The "Principal Place of Business" is defined as the principal place from which the trade or business of the bidder is directed or managed.
22. **CONFIDENTIALITY OF BIDS:** In submitting its quote, the offeror agrees not to discuss or otherwise reveal the contents of the quotes to any source outside of the using or issuing agency, government or private, until after the award of the contract. All offerors are advised that they are not to have any communications with the using or issuing agency during the evaluation of the bids (i.e., after the public opening of the bids and before the award of the contract), unless the State's purchaser contacts the offeror(s) for purposes of seeking clarification. A offeror shall not: transmit to the issuing and/or using agency any information commenting on the ability or qualifications of any other offeror to provide the advertised good, equipment, commodity; defects, errors and/or omissions in any other offeror's quote and/or prices at any time during the procurement process; and/or engage in any other communication or conduct attempting to influence the evaluation and/or award of the contract that is the subject of this Quote. Offerors not in compliance with this provision may be disqualified, at the option of the State, from the contract award. Only those communications with the using agency or issuing agency authorized by this IFB are permitted.
23. **EXECUTIVE ORDER #50-PRICE-MATCHING PREFERENCE:** Pursuant to North Carolina General Statute § 143-59 (G.S. § 143-59) and Executive Order No. 50 issued by Governor Perdue on February 17, 2010, entitled "Enhanced Purchasing Opportunities for North Carolina Businesses," a price-matching preference may be given to North Carolina resident bidders on contracts for the purchase of goods. This preference will allow a qualified North Carolina resident bidder to match the price of the lowest responsible nonresident bidder, if the North Carolina resident bidder's price is within five percent (5%) or \$10,000, whichever is less, of the non-resident bidder's price. G.S. § 143-59(c) (1) defines a "resident bidder" as a "bidder that has paid unemployment taxes or income taxes in this State and whose principal place of business is located in this State. G.S. § 143-59(c)(2) defines a nonresident bidder as a bidder that does not meet the definition in G.S. § 143-59(c)(1). G.S. § 143-59(c)(3) defines a "principal place of business" as the "principal place from which the trade or business of the bidder is directed or managed." For purposes of this RFQ, "bidder" as used in G.S. § 143-59 and Executive Order #50 shall also mean "offeror".

In order to qualify for this preference, a resident offeror must: (1) request the preference; and (2) complete "Resident Offeror's Certification for Price-Matching Preference under Executive Order #50" (hereinafter the "Certification") included at the end of this solicitation. The Certification may not be submitted after the public opening of the bids. By executing the Certification, the offeror agrees to provide any additional information or documentation requested by the State to confirm the above certifications and statements within five (5) business days of request (including tax filings, banking statements, financial and accounting statements reflecting Offeror's payment of the subject taxes and such other information regarding offeror's management or directors of its business or trade of its principal place of business).

The State will evaluate the quotes in accordance with the award criteria stated in this RFQ to determine the lowest responsible offeror. If the lowest responsible offeror is a North Carolina resident offeror, then there will be no consideration of the price-matching preference. If the lowest responsible quote was submitted by nonresident offeror and there are no North Carolina resident bidders that submitted a price that was within 5% or \$10,000 of the nonresident offeror's price, then none of the North Carolina resident bidders qualified for the price-matching preference and no review of the Resident Offeror's Certifications is required.

If the lowest responsible quote was submitted by nonresident offeror and there are one or more North Carolina resident bidders that submitted a price that was within 5% or \$10,000 of the nonresident offeror's price, then the evaluators shall review the Certification(s) of the resident offeror(s) to determine whether the resident bidders have certified compliance with G.S. § 143-59(c)(1), (3) and the information and documentation provided in or with the Certification supports the resident offeror(s) certifications. The evaluators may seek clarification of the certifications and/or information in a resident offeror's Certification and request documentation (including but not limited to income tax or unemployment tax returns, reports and/or filing (annual and/or quarterly); banking statements or financial/accounting statements reflecting offeror's payment of income taxes or unemployment taxes to the State of North Carolina and such other information regarding offeror's management or directors of its business or trade of its principal place of business). If the resident offeror's Certification for the price-matching preference is challenged in a protest, the resident offeror shall provide the foregoing information and/or documentation to the State within five (5) business days of receiving a request from the State for such information and/or documentation. Pursuant to G.S. §§ 132-1.1, 105-259(b) and Paragraph 17 of the Instructions to Bidders, the State is prohibited from making public disclosures of the offeror's tax information and documents (except if one of the 39 exceptions applies in G.S. § 105-259(b)) and the State shall preserve the confidentiality of the tax information and/or documents received in response to a request for clarification (or, as discussed below, to resolve a protest challenging resident offeror's qualification for the price-matching preference). In order to further preserve the confidentiality of offeror's tax information and documentation provided the State, the offeror shall comply with Paragraph 17 of the Instructions to Bidders and mark "CONFIDENTIAL" at the top and bottom of each page of the information and documentation. After review of the Certification(s) and any clarification, the evaluators shall include in their recommendation for award a finding that the North Carolina resident offeror(s) was or was not qualified for the price-matching preference.

If more than one North Carolina resident offeror qualified for the price-matching preference, then the evaluators shall prioritize the qualified North Carolina resident bidders according to their original quotes, from lowest to highest, so that qualified North Carolina resident offeror that submitted the lowest quote should get the first opportunity to match the quote of the nonresident lowest responsible offeror. If the lowest responsible and qualified North Carolina resident offeror declines to accept contract award, then the contract should be offered to the next lowest qualified North Carolina resident offeror and to continue in this manner until either

a qualified North Carolina resident offeror accepts to contract award or the award is made to nonresident offeror, if no qualified North Carolina resident offeror accepted the award. If two responsible North Carolina resident bidders qualify for the price-matching preference, both had the same quote, then the evaluators may: (1) consider the information provided in these bidders' Certifications or publicly available information to determine, which offeror the contract award would have a greater impact of stimulating or sustaining the North Carolina economy and/or is most likely to create or save jobs e.g., if the choice is between a resident broker and a resident manufacturer of the subject goods, then the contract should be awarded to the resident manufacturer); (2) consider the unemployment rate in the municipality or county where each offeror's principal place of business is located; or (3) seek clarification from the bidders to ascertain the impact on their respective businesses if offered the award of the contract.

If the resident bidder requests and qualifies for the price-matching preference, the resident bidder will first be offered the contract award and it will have three (3) business days to accept or decline the award based on the lowest responsible nonresident bidder's price

If at any time during or after the procurement process (including but not limited to clarifications and resolution of protests), the State determines that: the certifications or information in the Certification were false, substantially inaccurate, materially misleading; or the Offeror failed to provide, within the specified time period, the information and documentation the State requested, then the State may:

- (1) Cancel the resident offeror's contract and/or purchase order that was awarded based on the price-matching preference and resident offeror shall be liable for all its cost it incurs as a result of the cancellation and all increased costs of the State may incur by awarding the contract to the next lowest offeror;
- (2) Offeror will not be entitled to any price-matching preference in any future State bidding opportunities;
- (3) Action may be taken against the contractor under the False Claims Act, G.S. § 1-605 through 1-617, inclusive, for submitting a false Certification for the price-matching preference under Executive Order #50 (including but not limited to treble damages and civil penalties); and/or
- (4) Debar Offeror from doing business with the State of North Carolina for a period determined by the State Purchasing Officer and/or Board of Award.

QUOTE No. 201200145

OFFEROR: _____

THE SUCCESSFUL BIDDER(S) SHALL PAY A TRANSACTION FEE OF 1.75% (.0175) ON THE TOTAL DOLLAR AMOUNT (EXCLUDING SALES TAXES) OF EACH PURCHASE ORDER ISSUED THROUGH THE STATEWIDE E-PROCUREMENT SERVICE

This applies to all purchase orders, regardless of the quantity or dollar amount of the purchase order. The transaction fee shall not be stated or included as a separate item on the invoice. There are no additional fees or charges to the contractor for the services rendered by the Supplier Manager under this contract. Contractor will receive a credit for transaction fees they paid for the purchase of any item(s) if an item(s) is returned through no fault of the contractor. Transaction fees are non-refundable when an item is rejected and returned, or declined, due to the contractor's failure to perform or comply with specifications or requirements of the contract.

Contractor or its Authorized Reseller, as applicable, will be invoiced monthly for the State's transaction fee by the Supplier Manager. The transaction fee shall be based on purchase orders issued for the prior month. Unless Supplier Manager receives written notice from the Contractor identifying with specificity any errors in an invoice within thirty (30) days of the receipt of invoice, such invoice shall be deemed to be correct and Contractor shall have waived its right to later dispute the accuracy and completeness of the invoice. Payment of the transaction fee by the Contractor is due to the account designated by the State within thirty (30) days after receipt of the correct invoice for the transaction fee, which includes payment of all portions of an invoice not in dispute. Within thirty (30) days of the receipt of invoice, contractor may request in writing an extension of the invoice payment due date for that portion of the transaction fee invoice for which payment of the related goods by the governmental purchasing entity has not been received by the Contractor. If payment of the transaction fee is not received by the State within this payment period, it shall be considered a material breach of contract. The Supplier Manager shall provide, whenever reasonably requested by the contractor in writing (including electronic documents), supporting documentation from the E-Procurement Service that accounts for the amount of the invoice.

The Supplier Manager will capture the order from the State approved user, including the shipping and payment information, and submit the order in accordance with the E-Procurement Service. Subsequently, the Supplier Manager will send those orders to the appropriate contractor on State Contract. The State or State approved user, not the Supplier Manager, shall be responsible for the solicitation, bids received, evaluation of bids received, award of contract, and the payment for goods delivered.

Contractor agrees at all times to maintain the confidentiality of its user name and password for the Statewide E-Procurement Services. If a contractor is a corporation, partnership or other legal entity, then the contractor may authorize its employees to use its password. Contractor shall be responsible for all activity and all charges by such employees. Contractor agrees not to permit a third party to use the Statewide E-Procurement Services through its account. If there is a breach of security through the contractor's account, contractor shall immediately change its password and notify the Supplier Manager of the security breach by e-mail. Contractor shall cooperate with the State and the Supplier Manager to mitigate and correct any security breach.

20. **ELECTRONIC PROCUREMENT (APPLIES ONLY TO STATEWIDE TERM CONTRACTS):** Within ten (10) calendar days of notice, the contractor shall provide supplier information, contract pricing and other product-related information requested by the State or the Supplier Manager. This information shall include such information as contractor name, SKU, brand/manufacturer, product name and a brief description, unit of measure, price, and other similar information properly requested by the State or the Supplier Manager to facilitate purchasing from the contract. This information shall be posted by the contractor in the format provided by the Supplier Manager, or as otherwise provided in a template or format required by the State. No costs or expenses associated with providing this information shall be charged to the State, its agents (including Supplier Manager) or State approved users of the contract. For the purposes of this contract, the contractor warrants that it is authorized and empowered to and hereby grants the State and the Supplier Manager the right and license to use, reproduce, transmit, distribute and publicly display this information. In addition, for the purposes of this contract, the contractor warrants that it is authorized and empowered to and hereby grants the State and the Supplier Manager the right and license to reproduce and display contractor's trademarks, service marks, logos, trade dress or other branding designation that identifies the goods available under the contract. The Supplier Manager shall create and maintain, with contractor's timely assistance, web-based placement of contract information, where appropriate, that includes the contract items distributed by the contractor within the appropriate contract categories. The State shall provide any price adjustment/product modification information that it has approved during the course of the contract, to the Supplier Manager immediately upon such change.

If the contractor is not the manufacturer, then it shall be the contractor's responsibility to obtain authorization from the manufacturer to comply with the provisions of this contract, including any appropriate intellectual property rights of the manufacturer. If the contractor is the manufacturer, then the manufacturer shall only authorize dealers, outlets, distributors, value added resellers, etc. (together, "Authorized Resellers") within their network that can comply with the provisions of this contract.

CONTRACTOR IS AND SHALL REMAIN RESPONSIBLE FOR PAYING THE TRANSACTION FEE ON BEHALF OF ITS AUTHORIZED RESELLERS IN THE EVENT THAT THE AUTHORIZED RESELLER(S) DEFAULTS.

21. **CANCELLATION (TERM CONTRACTS ONLY):** All contract obligations shall prevail for at least 90 days after the effective date of the contract. After that period, in addition to the provisions of the paragraph entitled Price Adjustments, for the protection of both parties, this contract may be canceled in whole or in part by either party by giving 30 days prior notice in writing to the other party.
- CANCELLATION (EXECUTIVE ORDER #50 CONTRACTS):** A contract awarded to a North Carolina resident bidder pursuant to Executive Order #50 and G.S. § 143-59 may be cancelled by the State, if the State determines that the Bidder's certification or information in Resident Bidder's Certification for Price-Matching Preference under Executive Order #50 is false, materially inaccurate or misleading. The contractor shall bear all losses and liability resulting from the cancellation of the contract and/or any purchase order and the contractor shall be liable for any additional costs the State may incur by contracting with another supplier of the goods or equipment.
22. **QUANTITIES (TERM CONTRACTS ONLY):** The award of a term contract neither implies nor guarantees any minimum or maximum purchases thereunder.
23. **PRICE ADJUSTMENTS (TERM CONTRACTS ONLY):** Any price changes, downward or upward, which might be permitted during the contract period must be general, either by reason of market change or on the part of the contractor to other customers.
- Notification:** Must be given to the issuing purchasing authority, in writing, concerning any proposed price adjustments. Such notification shall be accompanied by copy of manufacturer's official notice or other acceptable evidence that the change is general in nature.
 - Decreases:** The State shall receive full proportionate benefit immediately at any time during the contract period.
 - Increases:** All prices shall be firm against any increase for 180 days from the effective date of the contract. After this period, a request for increase may be submitted with the State reserving the right to accept or reject the increase, or cancel the contract. Such action by the State shall occur not later than 15 days after the receipt by the State of a properly documented request for price increase. Any increases accepted shall become effective not later than 30 days after the expiration of the original 15 days reserved to evaluate the request for increase.
 - Invoices:** It is understood and agreed that orders will be shipped at the established contract prices in effect on dates orders are placed. Invoicing at variance with this provision will subject the contract to cancellation. Applicable North Carolina sales tax shall be invoiced as a separate item.
24. **By Executive Order 24,** issued by Governor Perdue, and N.C. G.S. § 133-32, it is unlawful for any vendor or contractor (i.e. architect, bidder, contractor, construction manager, design professional, engineer, landlord, offeror, seller, subcontractor, supplier, or vendor), to make gifts or to give favors to any State employee of the Office of the Governor and Governor's Cabinet Agencies (i.e., Administration, Commerce, Correction, Crime Control and Public Safety, Cultural Resources, Environment and Natural Resources, Health and Human Services, Juvenile Justice and Delinquency Prevention, Revenue, and Transportation). This prohibition covers those vendors and contractors who:
- (1) have a contract with a governmental agency; or
 - (2) have performed under such a contract within the past year; or
 - (3) anticipate bidding on such a contract in the future.

For additional information regarding the specific requirements and exemptions, vendors and contractors are encouraged to review Executive Order 24 and G.S. Sec. 133-32.

Executive Order 24 also encouraged and invited other State Agencies to implement the requirements and prohibitions of the Executive Order to their agencies. Vendors and contractors should contact other State Agencies to determine if those agencies have adopted Executive Order 24."
